TRAFFIC ALERT: Lick Run Greenway

Road Closure of Northbound Harrison Avenue Extended through August 28

CINCINNATI – Construction of the nationally recognized Lick Run Greenway project in South Fairmount began in early July and will continue through Fall 2019. The \$89.9 million Greenway includes a mile-long bioengineered creek in a park-like setting through the valley corridor.

Traffic Pattern Update

Pending weather and the contractor's schedule, the northbound lane of Harrison Avenue between Westwood and Queen City avenues will remain closed through Noon on Monday, August 28, 2017.

This a two-week extension of the previously scheduled closure from July 31 – August 13.

As a result, the following traffic pattern changes will remain in place in South Fairmount through August 20:

- The lane and ramp going to Harrison Avenue (outbound) from the lower deck of the Western Hills Viaduct will be closed. The lane and ramp going to Queen City Avenue/Beekman Street will remain open. Traffic with a Harrison Avenue destination will be detoured via Queen City Avenue.
- The lane and ramp going to Harrison Avenue (outbound) from the upper deck of the Western Hills Viaduct will be closed. The lanes and ramp going to Queen City Avenue/Beekman Street will remain open. Traffic with a Harrison Avenue destination will be detoured via Queen City Avenue.

Drivers are encouraged to use caution when approaching the closure site and are reminded to use alternate routes around the area if possible.

For additional information about this project, please visit the Lick Run website at www.projectgroundwork.org/lickrun and click on Lick Run Greenway and/or Construction & Traffic Info under Quick Links.

Please contact MSD Engineering Customer Service at (513) 557-3594 or MSD.Communications@cincinnati-oh.gov with customer concerns or issues and to sign up to receive email updates.

Please follow MSD at @CincinnatiMSD on Twitter for the latest schedule/traffic updates.
