TRAFFIC ALERT

Lane Closures on Westwood Northern Boulevard ~March 6 thru Summer 2017

CINCINNATI – Lane closures will occur on Westwood Northern Boulevard in Westwood between Wardall and Boudinot avenues beginning ~March 6 and ending in summer 2017.

The Metropolitan Sewer District of Greater Cincinnati (MSD) is constructing new sanitary sewers along Westwood Northern Boulevard to help reduce combined sewer overflows (CSOs) into streams in Mt. Airy Forest.

The project, known as CSO 195 Westwood Northern Sewer Separation, is located between 3025 and 3171 Westwood Northern Boulevard on the west side of the street and between 3050 and 3138 on the east side.

During the morning rush hour (7 – 9 a.m.), two lanes of eastbound traffic and one lane of westbound traffic will be open. During the evening rush hour (4 – 6 p.m.), two lanes of westbound traffic and one lane of eastbound traffic will be open.

During non-rush hour, one lane of traffic will be maintained in either direction. Parking will not be allowed in portions of the curb lanes for the duration of the project. We urge you to plan your trips accordingly.

As part of this project, MSD will be installing 3,100 linear feet of 12-inch to 30-inch diameter sanitary sewers to collect sewage from local residential and commercial properties. The existing combined sewers located along Westwood Northern Boulevard will be converted to storm sewers.

Please see the attached project map.

MSD's construction contractor is Howell Contractors, Inc. Construction activity is anticipated between 7:00 a.m. and 6:00 p.m. Monday through Friday.

In addition to traffic inconveniences, typical construction-related disturbances such as noise, dirt and vibrations should be expected throughout the construction period.

This project is part of Project Groundwork, MSD's multi-year plan to reduce sewer overflows into streams and rivers in Hamilton County. Project Groundwork will protect public health, improve our local streams and rivers and enhance our communities.

For additional information about the project, please contact MSD Engineering Customer Service at (513) 557-3594 or MSD.Communications@cincinnati-oh.gov.
