TRAFFIC ALERT

Closure of W. Galbraith Road at the intersection with Blue Rock Road

CINCINNATI – W. Galbraith Road at the intersection with Blue Rock Road in Colerain Township will be closed to all traffic starting Monday, January 29 for up to a week, weather permitting. W. Galbraith Road will be reopened at the end of each work day. The project will be fully completed in March after repaving and restoration is complete.

The Metropolitan Sewer District of Greater Cincinnati (MSD) will be constructing a 6-inch sanitary sewer lateral to service the property at 4198 W. Galbraith Road. *Please see the attached project map.*

MSD's construction contractor is SmithCorp Incorporated. Construction activity will occur generally between 7:00 a.m. and 5:30 p.m. Monday through Friday. Some weekend work may be needed.

In addition to traffic inconveniences, typical construction-related disturbances such as noise, dirt and vibrations should be expected throughout the construction period.

This project is part of Project Groundwork, MSD's multi-year plan to reduce sewer overflows into streams and rivers in Hamilton County. Project Groundwork will improve the quality of our lives through cleaner streams, improved protection of public health, and enhancement of the communities where we live, work, and play.

For additional information about the project, please contact MSD Engineering Customer Service at (513) 557-3594 or MSD.Communications@cincinnati-oh.gov.
